

Christmas in the Park

Display Information

Please complete and return to:
Taylorville Park District
P.O. Box 263
Taylorville, IL 62568

There is no cost to have a display, and displays **cannot** have a phone number, address, QR codes, URLs, or read as an advertisement (name of business is of course fine). Vehicles, trailers, and projectors displaying copyrighted content **are not permitted**. Displays may be put up beginning Wednesday, November 18th. Test nights are done prior to opening, so we ask that displays be set-up by Monday, November 30th. Your location and set up information will be sent to you at a later date. If needed, the Park District can assist you with ordering a new display. This will need to be done before the end of October to ensure delivery before set-up dates.

Deadline Registration Date: Monday, November 9, 2026

If you have any questions, call the park office at **(217) 824-3110** or email
